

Mastercard Authorized User Form

UCU Account # _____ V Loan Record # _____ Date: _____

Please Add (print name) _____ to the above mentioned UCU Mastercard account as an authorized user and issue a card to the authorized user. I understand that as an authorized user he/she will have full access to the available credit line and will share in many of the privileges associated with the Mastercard account. I hereby agree to indemnify and to hold University Credit Union harmless and accept full responsibility for the acts of the authorized user relative to this Mastercard account and for all transactions by the authorized user affecting this Mastercard account.

The authorized user has no contractual responsibility; and therefore may not request additional services or increases of the credit line. I represent and agree that the authorized user has actual, implied or apparent authority to use the Mastercard and I shall be liable and responsible for payment of all charges made by use of the card by myself, the joint owner or any authorized user.

I agree that this authorization shall remain in full force and effect until I give University Credit Union written notice of any change or the Credit Union is notified of my death at its office where the account is maintained and said change shall not affect transactions made prior to the time University Credit Union received the notice or prior to the time University Credit Union is able to implement the change which may take up to three (3) business days after receipt of the request. I understand that unless I have within my control all cards, PIN numbers, Executive Line checks or other access devices at the time of deleting an authorized user from my account, University Credit Union may require me to close the account and open another account.

Important information about procedures for adding an authorized user to your account: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each authorized user on an account. What this means to you: When you add an authorized user to your account, we will ask for their and your name, address, date of birth, and other information that will allow us to identify them and you. We will also require seeing and copying a driver's license or other valid identification acceptable to University Credit Union for all owners and authorized users. Other identifying information may also be required.
