In the event any provision in any such account agreements conflict with any provision in this Agreement, the parties agree that this Agreement shall control. The Credit Union in its discretion may modify these Terms and Conditions from time to time without notice or as otherwise provided by law. Continued use of the Service will constitute acceptance of any new or amended Terms and Conditions. Please read this Agreement carefully.

Limitations of Services: We reserve the right to determine your eligibility for the Service. We reserve the right to change the qualification requirements at any time without prior notice. We reserve the right to change, suspend, or discontinue the Service, in whole or in part, or your use of the Service, in whole or in part, immediately and at any time without prior notice to you.

Image Quality: The image of an item transmitted to the Credit Union using the Service must be legible and meet image quality standards established from time to time by the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. Items transmitted by you that do not meet the image quality standards will be rejected. You warranty that each image of a check transmitted to us is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.

Endorsements and Procedures: You agree to restrictively endorse any item transmitted through the Services as “For E-Deposit only, UCU account #” or as otherwise instructed by the Credit Union. You agree to follow any and all other procedures and instructions for use of the Service as the Credit Union may establish from time to time. You warranty that you will not deposit or otherwise endorse to a third party the original item (the original check) and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the item (either the original item, or a paper or electronic representation of the original item) such that the person will be asked to make payment based on an item it has already paid. You further warranty that you are authorized to enforce each item transmitted or you are an authorized person to obtain payment of each item on behalf of a person entitle to enforce such transmitted item.

Receipt of Items: We reserve the right to reject any item transmitted through the Service, at our discretion, without liability to you. You agree that all items received by the credit union are subject to review and approval before crediting your account. You agree the Credit Union may notify you electronically of a rejected item or deposit adjustment.

You agree that transmitting of checks does not constitute receipt by the Credit Union. We are not responsible for items we do not receive or for images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation from the Credit Union that we have received the image.

Further, you agree that acknowledgement of receipt or delivery does not constitute an acknowledgement by the Credit Union that the transmission was error free or complete, or the image quality is sufficient for processing, or the item has been credited to your account (such as when an item exceeds the deposit limits or is otherwise subject to review and approval before crediting your account). In these instances, your deposit may be delayed or rejected.

Funds Availability: Funds from items deposited through Mobile Check Deposit will be available according to the Credit Union’s Funds Availability disclosure, as stated in our Membership and Accounts Agreement as amended from time to time.

For purposes of determining the availability of funds, your deposits via Mobile Check Deposit are deemed to be received by the Credit Union at the time the system provides a confirmation that we have received the image. Every day is a business day, except Saturdays, Sundays, and federal holidays. If we receive your Mobile Check Deposit before 5:00 p.m. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00 p.m. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Retention and Disposal of Transmitted Items: Upon confirmation from the Credit Union that we have received the image of an item, attach a note to the original check indicating it has been presented for deposit and store it in a safe place. You agree to protect original checks from security risks, such as theft, unauthorized use of information
from the checks, and re-presentment. We recommend you retain the original item for 90 days. You agree to promptly provide any retained item, or a sufficient copy of the front and back of the item, to the Credit Union as requested to aid in the clearing and collection process, to resolve claims by third parties with respect to any item, or for the Credit Union’s audit purposes. You agree to properly dispose of the item after 90 days. You agree to never represent an item.
